Are you ready for the "Warning"?

I know I'm not ready! We are sinners and know it will be hard to see our soul as Jesus sees it. Jesus will show us our hidden sins that we committed when we were younger, acting our like the Prodigal Son did. I have worked hard on healing my past anger & unforgiveness issues from past hurts when I realized I was not living the **Our Father** prayer: *Forgive us our trespasses (Fr. God) as we forgive those who have trespassed against us.*

When I am asked for prayer, I conduct an Inner Healing session first. I know that if I can help a person forgive anyone who hurt them in the past, then the Lord will gladly fill him/her with great Spiritual Gifts! Spiritual gifts from Jesus are given after we purge ourselves from any past occult practices, anger and unforgiveness.

When I conduct an Inner-Healing session, I anoint myself and the person with holy Oil (over the phone). I ask Jesus to send the

Holy Spirit upon him/her, unlock his/her conscious and subconscious memory. The Lord permits me to "read his/her soul". If the Lord indicates the person has unrepentant past occult practices or has not properly disposed of occult sins through Sacramental Confession, Holy Spirit leads me

Jesus, Mary and Joseph, I love you, save souls!

into the person's past, usually as a teenager when he/she played with a Ouija Board or other items. Everyone who is searching for complete healing by purging their past sins, pain, suffering, diseases like cancer (see Page 4 occult list), are always amazed when demons of **occult, anger and unforgiveness** depart their

body during our Inner Healing session because Jesus knows if he/she is truly repentant or not! You will feel demons leaving your body!!!

Anger, Unforgiveness, Hate are demonic spirits that are attached to YOU! Unless you forgive others who trespassed against you, neither will you be set free and forgiven for your sins! Those demons of Anger, Unforgiveness, Hate will never leave your body, leading you into temptation to sin You must live the Our Father prayer! (Matt 6:9-13)

You can self assess your past through prayer and by visiting Jesus in Eucharistic Adoration. Ask Jesus to unlock your past subconscious/conscious memory and Jesus will show you where you need help in forgiveness! Then go to Sacramental Confession, confess who you had not forgiven and were angry with so Jesus can send those demons back to hell.

If you need my help, send an email & I will pray over it, asking Jesus how I can help you. Merry Christmas to you and your family!

—Love, Anna Marie

Jesus asks Religious Sisters to Return to Habit

The Habit is a garment worn by Sisters in Religious Communities. It is no longer a requirement in many communities. Some Sisters wear the clothing of the day, "street clothes." Vatican II changed that and not for the better! The Habit is no longer worn by many Communities and Sisters are rarely recognized as vowed Religious. Many Communities who left their religious garb for "street clothes" have very few

women joining their Communities, including mine. Sisters in my Community are discouraged from wearing the Habit. **Jesus has asked all Religious Sisters to return to their Habit.**

People approach Sisters who wear a Habit and ask for prayers, thank them for choosing Religious life; some will bless themselves or bow. Sisters who wear the Habit remind people of

something beyond themselves: Church, God, Blessed Mother or a favorite saint or a prayer special to them. One thing I hear frequently is: "Oh, I did not know there were Sisters anymore."

I encourage all Religious Sisters to pray and discern returning to their Religious Habit as spouses of Christ. When you go home to Heaven, a Wedding Feast will be celebrated for you because you were faithful to wearing your Religious Habit! — Sister from the Midwest

My Mission to Refuge for the Coming Times

Our family was called to this mission in the mid 1990's. We began searching for a property, and were led by the Divine to one. The farm in the late 1990's needed a LOT of work, but we were intensely grateful to the Divine Trinity for granting us this mission. Our vision for the farm was, in some sense, to move back to a more simple time where much more was done by us with less dependency on electricity and other fuels for the time after the Warning, when we would have—with the Grace of God, more manpower than machines. In this, we were quite grateful to have also the guiding messages of the authentic seers over the last 30 years to illustrate for us some of the minute details of the refuging mission.

We had a place of under 8 acres, with a barn. In the older farmhouse, we replaced the furnace, various appliances, the wood stove, laid down ceramic tiles and new rugs, upgraded the bathrooms, put in a new patio, painted and eventually expanded the second floor by adding four new rooms, including a chapel room and new bathroom. The two smaller rooms that were added, we later dubbed a 'priests hole' and a 'Library hall'. A farm pond was dug and the land fenced for livestock. Dad met a new younger builder/contractor when we rebuilt the back patio with a small Grotto to the Blessed Mother. This man was so special and spiritual, that dad 'adopted' him. There was not much that our new friend could not do—or find out

how to do! A hand-operated water pump was installed and later on, he installed a solar array to supply limited energy. This solar was intended for the water pump and the refrigerators and freezers. Eventually, there was a new potting shed/woodshed and a large walled garden with box beds. Orchard trees and berry bushes planted. We acquired livestock; goats, chickens, bees and super-fun silly ducks who spent much time in the pond. We collect eggs all year, and in October, our goats are bred for kidding in the coming spring. In April/May, we deliver goat kids and all summer, we milk the goats and make cheese. In August, we can/dehydrate veggies and make jams and preserves.

A separate, dedicated room intended to be a large Chapel for Masses was built by our contractor friend, over the two car garage with a wood burning stove and a separate retiring room. Vestments were purchased and liturgical items acquired. My father was enjoying every minute of these projects and "building something that could please God".

Now that we recognize that the Warning is so very close, we have made an organizational chart and thus, have become more structured with regular weekly meetings for those who live here and who will have the primary responsibilities on the farm. Livestock, Procurement, Medical, Spiritual Direction, Mechanical, Meal Prep and of course the Project Manager who keeps the

lists and priorities of the tasks to be done. I will mention here that the true Owner of this Property is the Trinity. Thus, it is to Him that we must go in not only daily Masses for, but to spend at least an hour a day in Adoration to draw but refreshment and new inspirations from the Divine on whom we are so entirely dependent.

Privately, in 2019, Jesus came to give us messages which directly concerned us and this mission:

Jesus: *"Tell my children to continue to prepare their land. I will make their land a great refuge of protection when the great chastisement begins. ...There will be great peace and harmony on this land, which I Myself, have chosen. Now, Behold; I send to them a great miracle of light, which will remain as My gift upon theme and their land."*

This message gave us renewed hope and great security in all His promises, especially now that I know that Jesus, Himself, had chosen this land and is with us. As I write, we continue to cleanse the house itself and prepare provisions. I can wish for all my family, friends to somehow come to us for the time of the refuges, but this will be as He wills, for God's Plan is perfect. *Ad Maiorem Dei Gloriam*

Are Ghosts Living In Your Home Or On Your Land?

Over 24 years, I have assisted others remove Ghosts from their home/property. I have found suicide ghosts, Native American ghosts, Civil War ghosts and others while in the process of blessing a home over the phone. Catholics pray in intercession for others, especially for the souls in Purgatory. However, ghosts need our prayers desperately because they can not help themselves once they are dead.

I have helped fifty or more Confederate or Union ghosts depart into the Light of God on a particular property where a huge battle was fought during the Civil War. When I asked the ghosts what their names are, they tell me. I have been able to look up these ghosts on the Civil War Registry and found them listed. The home owner could see the ghosts that I saw!

Having a Mass said for someone who died is the holiest thing we can do for anyone. However, the Church DOES NOT believe that ghosts exist and roam on the earth. Many holy Priest have blessed homes and found ghosts but don't speak on it because of being persecuted. So it is up to the Laity to help remove ghosts from their land.

Few people know what to do to remove ghosts from their property. Here is my remedy, pray a **Repentance Rosary** with your friends/family members gathered at your home. A Repentance Rosary is said as you, "Repent to God" for the sins of the ghost haunting your home, the sins he/she committed before death. You want everyone who gathers to be anointed with holy oil for protection, ask Jesus to send His

Holy Angels to protect everyone and to gather all ghosts living on your land into your prayer room. Tell the ghosts they need to be quiet while you say the Holy Rosary for them. I recommend the Sorrowful Mysteries because it explains the suffering and death of our Divine Savior.

Before each Mystery, verbally explain the sufferings Jesus endured for our sins! Ask Jesus to please forgive the ghost's sins and to take the ghost into the Holy Light of God, when the Lord sends His Divine Light. The ghost will see it but you may not. Tell the ghost to follow the Holy Angels and go into the Light of God and be reunited with its family members in Heaven. Usually at the fourth Mystery, the ghosts will depart your home forever! Let me know if you need help. —Anna Marie

Science Proves Ghosts Exist Based On EMF Laws

Science describes an Electromagnetic Field (EMF) as: a classical (i.e. non-quantum field produced by moving electric charges.¹ It is the field described by classical electrodynamics and is the classical counterpart to the quantized electromagnetic field tensor in quantum electrodynamics. The electromagnetic field propagates at the speed of light (in fact, this field can be identified as light) and interacts with charges and currents. Its quantum counterpart is one of the four fundamental forces of nature (the others are gravitation, weak interaction and strong interaction. The field can be viewed as the combination of an electric field and a magnetic field. The electric field is produced by stationary charges, and the magnetic field by moving charges (currents); these two are often described as the sources of the field. The way in which charges and currents interact with the electromagnetic field is described by Maxwell's equations and the Lorentz force law.² The force created by the electric field is much stronger than the force created by the magnetic field.³

There are specific modern day "tools" that can identify an electromagnetic field, called an EMF **Meter**. A Meter is a simple battery operated tool that can detect if something, like a ghost, comes into the electromagnetic field/area where a Meter is located. If you cannot see a ghost with your eyes, an EMF Meter can detect a change in temperature or other forms of electromagnetic charges. According to Wikipedia, Science speaks on the Law of Conservation of Energy: it is a physical law that states energy (or matter) cannot be created

or destroyed but may be changed from one form to another.⁴ This means if a human dies, their body is no longer part of their spirit/soul. Since our spirit and soul come from the Lord, it cannot be created by nor destroyed, it is eternal. We humans are made up of body, spirit and a soul referenced in the First Letter of St. Paul to the Thessalonians 5:23: "*And may the God of peace Himself sanctify you in all things: that your whole spirit and soul and body may be preserved blameless in the coming of our Lord Jesus Christ.*"

There are many reasons why ghosts remain earth bound, unable to go to Heaven, Hell or Purgatory, committing suicide is one of those reasons! A ghost can linger on the earth without its body, haunting a home or building for hundreds of years or more. I find ghosts living in homes all the time while conducting a "House Cleansing" since I see and hear them speaking. Let's be clear, demons are not ghosts. Never communicate with a demonic spirit, they are black in color and condemned fallen angles. People confirm reports of seeing a grey orb, a spirit, ghost or hearing noises or footsteps. **Anyone being haunted wants it to stop!** The word "Ghost" is a synonym of "Spirit/Energy/Matter", however, we refer to a ghost as a disembodied spirit. A ghost was once human walking on earth, but does not have a body. Calling a Ghost an Energy or Matter, is more a New Age term so Christians don't use it.

I have seen spirits (demons, ghosts and trafficking witches) since I was 8 years old.

A trafficking witch is a living human who separates his/her spirit from their body so they can fly in the air and go into someone's home to haunt and curse you. I never wanted to see them but the Lord gave me this gift to help His children who are desperate and being terrorized by spirits. An EMF Meter is a simple tool that detects unexplained spiritual activity or movement. Depending on what type of EMF Meter you purchase (KII (K2) Meter or REM Pod) the Meter lights up and/or makes a beeping noise if a spirit comes into the EMF Field. When others report unexplained noises or activity in their home, I suggest they purchase one at: www.ghostop.com. Directions are included with your KII Meter.

I help families while on the phone, and report what I see. The EMF Meter helps the non-seeing family detect ghosts or demons in their homes. Ghosts are not demons. If a demon is present, I help the family identify and get rid of the item the demon is attached to. Many major brand stores, cursing items they sell in order to make money; normal household items. —Anna Marie

The Memorare Prayer

Remember, O most gracious Virgin Mary, that never was it known that anyone who fled to thy protection, implored thy help, and sought thy intercession was left unaided.

Inspired with this confidence, I fly unto thee, O Virgin of virgins, my Mother. To thee I come; before thee I stand, sinful and sorrowful. O Mother of the Word incarnate, despise not my petitions, but in thy mercy hear and answer them. Amen.

*Pray for our chosen President, Donald Trump.
He was chosen by God, so pray for him daily!*

Save Your Family From Hell

Jesus called me to begin the Apostolate of the Green Scapular. I was obedient. What I didn't know was that He wanted all sinners to be saved through His Mother's Holy Immaculate Heart. Jesus wanted us to save our family members and ourselves by writing names on a blessed Green Scapular.

All it takes for you to save your loved ones is to trust in Jesus' love for you and your family & friends. It is by your faith they will be saved! Your true love for Jesus opens His heart to pour His Holy Graces upon your loved ones.

When you write a name on a blessed Green Scapular, you are consecrating a person to Jesus Christ's Sacred Heart, through His Heavenly Mother's Immaculate Heart. To Jesus through Mary. When you write a name on a blessed Green Scapular, Mother Mary herself will go to the person you wrote on a blessed Green Scapular daily, if necessary. Leading him or her back to her Son Jesus. As our Holy Mother, she speaks in his/her ear, calling him/her back to Mass, back to prayer, back to the Sacraments.

We really cannot understand our Heavenly Mother's many ways of calling souls back to loving her Beloved Holy Son, but it is miraculous. Someone once reported that his sister had left for the Church for over 20 years and after writing her name on a blessed Green Scapular, she went to Confession and began attending Mass again. Praise YOU Jesus, and thank you Heavenly Mother for loving us and saving our sinful souls from hell!

**IMMACULATE
HEART OF
MARY, PRAY
FOR US NOW
AND AT THE
HOUR OF OUR
DEATH. AMEN**
