

## Green Scapular Description

We do not have a cord attached. The images of our Blessed Mother and her Immaculate Heart are made from a paper product so that you can write names on them. A brochure is included with your Kit explaining other ways that you can use your blessed Green Scapulars to protect yourself and loved ones. We request that you do not forget to recite the [Eternal Consecration Prayer](#) included in the brochure. This prayer was dictated by the Holy Spirit to Anna Marie.

We also encourage you to place 4 of the 14 blessed green scapulars in the four corners of your home and to recite the Home Protection prayer found in the brochure.

We ask that you write your loved ones name on a blessed green scapular, so that he or she is forever consecrated to Jesus through Mother Mary. By God's grace, the person will be included in the daily prayers of other "Prayer Warrior Apostles".

You can keep these blessed green scapulars in a special box on your home altar, or in your purse or wallet so that you can add names throughout the day.

Jesus has promised that anyone who dies with his or her name written on a blessed green scapular will not go to hell. This means you may be sent to Purgatory, but on the Feast Day of St. Vincent de Paul, September 27th, your loved one will be taken from Purgatory and be escorted into Heaven. This is worth your writing names of all your loved ones on a blessed Green Scapular.

We love you and hope you can remember us in your daily prayers. We struggle to meet the hundreds of requests for free blessed Green Scapular Kits around the world, so any donation will be a blessing.

We are currently concentrating our mailings in Chili, Brazil, Argentina and other global regions where Catholics are in need. Thank you for your generosity and mercy for others.
