

## 2008 Healings

1. **12/23/2008: \*\*HEALING FROM SEXUAL ADDICTIONS\*\*** I felt the Holy Spirit wanting me to get a scapular but I didn't know which one to get. A few weeks later I discovered your site offering the free Green Scapular Kit, so I requested one. I felt as I was putting in the request that it would heal me of my life long struggle with Sexual Fantasies and Masturbation. I placed a scapular in all four corners of the house and one on myself for the Conversion of Russia and all of God's Children and prayed the prayer everyday. Now I am completely healed of the desire to have Sexual Fantasies and to Masturbate. Thank You Jesus and Thank You Immaculate Heart of Mary for Your Intercession!
2. **12/29/2008:** I grew up in a secular household and was given a Green Scapular from my friend's Mother. I experienced a dramatic conversion and two years later I went through confirmation and joined the church.
3. **12/4/2008:** Thank you for your prayers, Eileen found out from her MRI that her cancer is in remission.
4. **11/6/2008:** W writes: I was living with my in-laws for 4 years. I enjoyed living their and we get along very well, thank God, however, my husband and I got married two months ago and I prayed fervently to the Lord our God for a place of our own. My friends, I stand here today to tell you this testimony. I prayed to Blessed Mary ever Virgin for a miracle for us to have this house. We filled in our application form and I believed with all my heart that God's will be done. There was allot of doubt and speculation, we got a call saying our application has been accepted for a two bedroom or three bedroom. It turned out there was only three bedrooms available which would have financially cost more. Right now, I could not foresee us making that payment every month. I was disappointed, but I did not stop believing or stop praying to Blessed Mary and I prayed to our Heavenly Father. I asked Him to please remove this disappointment and turn it into joy. Yes I held on to God's Word, I put the full armor of God on. Praise the Lord, for He is a Good and Merciful. Eventually we decided to cancel the move and looking for a house, then again we decided to take the house. My Father in Law said he will borrow us the money but then he came back to say he is still waiting on the bank to clear the money. Now I was really disappointed and even more doubtful, but the Holy Spirit assured me all is well. I prayed still fervently every night myself and my husband would pray "Lord your will be done." I would pray the novena prayer every hour. The morning I phoned to cancel, the lady told e someone had cancelled the night before and we can have the two bedroom with our own back yard. Jesus is alive and He wanted to be apart of our life. Right now we are living in our new house, moved in last Saturday. We blessed our house when the Father came over, and I am still in awe of God's wonderful mercy!
5. **9/11/2008:** I was having difficulty in my residence and was destitute. My relatives told me I had to leave but I had no where to go. I had placed four Green Scapulars in the corner of the room in which I sleep. I also prayed a lot. I went to the priest in tears to tell him that I had to leave his parish. He said that the parish cold try to help me to pay for a small residence. I have never heard of this happening before. I believe that this is the power of prayer coupled with the presence of the Green Scapular in my life. Also, my relative who had been very hardened against me, suddenly changed her mind and beautified the room I am staying in instead of making me leave.
6. **9/10/2008:** A holy priest who has a healing ministry with daily miracles referred me to this site because her personally knows some of the people. Since I was skeptical, he told me that a "tree is known by its fruits", and the fruits of this Apostolate are good. So I took the scapulars which they sent me, placed the first one, and started praying the House Protection Prayer. Much too my amazement, I felt the stress and worry begin to leave my body. With the placement of each successive green scapular, the stress and anxiety further dissipated as beautiful feelings of peace, well-being, and joy took their place. I never expected that this simple act would have such a dramatic, life-changing impact. Prior to that, I did not realize the serious degree of negative feelings which I experienced. The placement of the scapulars gave me a miraculous intervention. I strongly urge everyone to place the four Green Scapulars in your home with the Home Protection Prayer so that you too can have this awesome experience of faith and positive spiritual strength. This is one of the best things that I have ever done!
7. **8/30/2008:** I wrote to you about receiving the Green Scapular kit back in Feb. 2007. I gave my sister one and prayed faithfully for her. She was in a gay relationship. I am pleased to announce she has now become a faithful Roman Catholic and active member of her Parish!

11. **Carolyn writes:** I had a dream last night that I was in a huge crowd of people and I ran right into my confessor and he handed me a GREEN SCAPULAR and said I needed to have it and keep it with me always. I had forgotten about the green scapular. Over 20 years ago I had placed one in my husbands wallet and prayed for his conversion daily with took 12 years, in 1999 he received the Sacraments into the Catholic faith. I must admit after that time I stopped my prayer. I think the Blessed Mother is calling out to me to remind me to return to my prayers for conversion of all people not just my family members. Thank you for offering your scapulars. I am excited about receiving them. May God and His Mother continue to bless your ministry.
12. **Vidya writes:** I thank our Lady for giving me this opportunity to testify. As I realise how limited I can reveal about the goodness and graces I have received while writing this; I pray to the Holy Spirit to help me to do justice to this writing. Our Lady has always been with me all through my life however there are many times that I have failed to understand all the things she has been working for me in my life. I am pleased to be associated with the Apostolate of the Green Scapular. I have realised the closeness of our Mother Mary, her love for me; how much she cares for each one of us. I regret deeply for the times I did not realise this; the times I did not pray to her. I also take this opportunity to thank our Heavenly Father for giving us a wonderful mother whose presence never makes us miss our mother who has given us birth. Thank-you Jesus for giving us your mother. I have learnt many things in these 8 months being associated with the group. This gathering for prayer has given me a chance to learn the importance of prayer. Listening to the testimonies during such meetings has given me a sense of joy and delight of the wonderful works of our Mother. I have realised the importance of the Green Scapular myself. My father (76 yrs old) was severely ill in the month of January/February 08. My mother placed the green scapulars in the four corners of the house. Then subsequently my father started recovering. We could get contact of the right doctor and also his months of ear pain stopped. It was a very small reason of congestion in the chest which our regular doctor could not analyse and made my father do unwanted tests. Many Thanks to our mother Mary and her continual blessings. Once I had put two petitions in the petition box. I have been putting petitions all through my life. However, I did not know that they were actually read by our mother. When I reached home I opened the book of Our Lady's message of Mercy to the world and was completely stunned to read the message on petitions. Mother Mary told me that she will give all things at the right time. This also firmed my faith on the book and I wait to read the messages from our mother morning and evening as they are so apt. One petition to our mother mentioned help in New Zealand Immi-

gration and surprisingly I got an interview call very soon in April 08 for documents submitted in November 08. I also got my work visa for NZ in June 08. My points totalled up to only 115 points against the 140 points requirement; but with my mother's prayers and help I got my visa very soon and without any problems. I am sure with my growing faith and trust in my mother I will find employment in NZ without any problems. My belief in prayer has grown and I have realised the importance of praying in groups. I also know that my dear mother who is with me in every moment of my life will help me to continue in spreading her request to pray for poor sinners. Thank-you Mother! I love you!

13. **Efigia writes:** I first discovered Green Scapular when my brother-in-law was very sick in India. All of us thought that this were his last. Then I send him the green scapular with my husband and told him to keep it near his Bed. Within 2 days he recovered and is now moving about. Also, in April my new born baby was very sick with urine infection and the doctors told me hat it was real bad and we had to conduct series of tests, I was afraid then I place the green scapular above his pillow and said the Chaplet of Divine Mercy.. within 2 days all the test came out negative and we were out of the hospital after 3 weeks as supposed to 6 weeks. Thank You Jesus and Mary.
14. **Someone writes:** Adult son made his 1st communion and Confirmation- Thank you Jesus and Mary
15. **Mary writes:** I think I have a "miracle" attributable to the Green Scapular to report.  
My husband was having an affair that he was not willing to give up. I placed a Green Scapular under the mattress pad under his pillow. Every night I prayed the prayer "Immaculate Heart of Mary, pray for us now and at the hour of our death." I asked that his heart be softened and that his mind be made open to change. It only took one week and he broke off the relationship with the other woman.
16. **Sandy writes:** The green scapular was placed at the head of my dying mother. She was in a comatose state, and then opened her eyes and asked God to forgive her for all her sins then saying the Act of Contrition and repeated Hail Mary's. She never spoke another word and then died the following day. It was a very beautiful spiritual event. Sandy
17. **Jacinta writes:** My Mother In Law was very ill in Dubai admitted to hospital here while she was on a visit here and one of my neighbors gave us the picture of our lady to be pinned to her dress in hospital and she had malaria, pneumonia and severe breathing problems. Mother Mary bought her out of all this without she going thru the ventilator process and we thank you Mother Mary for reviving her (Anna Maria) and giving her back to normal life. she flies to India on the 5th of December 2007. Please bless her with good health and free from blood pressure and diabetes. thank you mama Mary!
18. **Sue writes:** I recently used these two prayers with the Green Scapular and they worked for me...Thank the Good Lord. I hope someone else can use these, they are very great prayers. **Mount Carmel Prayer to the Blessed Virgin Mary** (Never known to fail) Oh, most beautiful flower of Mt. Carmel, fruitful vine, splendor of Heaven. Blessed Mother of the Son of God, Immaculate Virgin, assist me in my necessity, Oh Star of the Sea, help me and show me here you are my Mother. Oh Holy Mary, Mother of God queen of Heaven and Earth, I humbly beseech you from the bottom of my heart to succor me in my necessity (make request). There are none that can withstand your power. Oh Mary, conceived without sin, pray for us who have recourse to thee (say three times). Holy Mary, I place this prayer in your hands (say three times). Amen. Say this prayer for three consecutive days. Holy Spirit you who make me see everything and show me the way to reach my ideals. You who give me the divine gift to forgive and forget all that is done to me. You who are in all the instincts of my life. I, in this short dialogue, want to thank you for everything and affirm once more that I never want to be separated from you (name whatever your request is). Say this prayer for 3 days. After the third day, the request will be granted, no matter how difficult. Promising to publish the entire dialogue is a condition for granting your request. Thank you.
19. **Someone writes:** I thank you and praise you Heavenly Father, Jesus, & Mother Mary for the gives of miracles and graces in my life, and the gives of miracle in the life with my husband, children, their spouse, my grandchildren also. I thank you Heavenly father for the new car I am driving now ,which I do not have to make the monthly payments. This in its self is a miracle.
20. **Ricardo writes:** Ten years ago I was in dire need of prayers due to a drug addiction. I was given a scapular and was cured of this addiction. To help others, I ordered 300 scapulars through the church that I was attending in xx, Maryland. After Mass, I stood outside the church and gave the scapulars to anyone who

would accept them and offering my prayers to them. I had one scapular left that I had kept for myself. I did not want to part with this last scapular until I met a woman at Mass one day in Washington D.C. Years later, I saw her again at Mass. I felt that God had re-united me with this woman. When she invited me to her home for dinner, the very same scapular that I gave her years before was hanging on a statue of Mother Mary. I asked her hand in marriage. We have been married for six-years now.

21. **Helen writes March 16, 2008:** For many months I had been suffering with very uncomfortable chest wall pains that I was told were caused by an inflammation of the tissues and cartilage and that it may very likely be life-long. I was told I could take anti-inflammatory medicines to relieve it. I did so for a long time, but the pain never really subsided. Some days it hurt just to take a breath or lean over to pick something up. One day I decided to not take anything for the pain and instead placed the green scapular against my chest and prayed the prayer. The next day I noticed a significant improvement in the pain even though I hadn't taken any medication to relieve it the previous day. Each day I repeated the prayer and every day the pain lessened until it was no more. I fully believe it was by the graces of the green scapular and thank Jesus and Mary every day! Helen
