

Maureen's Gift

Regarding: Job issues, living condition issues & Hurricane Wilma: God sent me a message through the Green Scapular - Anna Marie. Here is what our God said and I know this goes for all of us so I will share it with all of you!

Dear Maureen, There is a message to you from Anna Marie regarding your prayer request. The Lord spoke with her and asked that this message be shared:

Jesus: "My dear little one, why do you fear so much? Am I not always with you? Taking care of you? Do you know I love you? Why do you fear so much? I have led you by the hand always. I have dried your tears and healed your sorrows, why do you not trust in me now? Be in peace, I am leading you, guiding you, guiding you onto the (an Angel appeared) path that my Father has planned for you from the beginning of time. I will never desert you, you are mine. Now trust in me, trust in my love for you, for my love is greater than your fears. I will remain with you until all is said, my Angels are beside you now, trying to bring you peace. Allow my Mother's love to penetrate your troubled heart, for she too loves you! I will bless you with my mercy.

Continue your prayers for others, as you pray for them, you will be freed from any distress and concern over the fate of your employer. I am in control and will guide you until you return home to me, your Savior, your Jesus of the most Blessed Sacrament."

I know that the message I was given to pass to you is very powerful! Have peace now, Jesus is in control. God bless each and everyone of you in Jesus' name! Maureen.
