

**MESSAGE FROM OUR DIVINE SAVIOR JESUS
"TIME IS SHORT AND YOU MUST PREPARE FOR THE GREAT FAMINE
WHICH WILL TAKE PLACE AFTER THE WAR"
TUESDAY, DECEMBER 5, 2017 @ 10:47 PM**

Anna Marie: My Lord, I hear you calling me. My Lord, are you Father, Son or Holy Spirit?

Jesus: My dear little one, it is I Your Savior, Jesus of Nazareth.

Anna Marie: Yes my Lord Jesus, thank you for coming and speaking this night. My Lord, may I ask please, will you bow down and adore Your Holy Eternal Father, who is the Alpha and Omega, the Creator of all life, of all that is visible and invisible?

Jesus: Yes my dear one, I Your Divine Savior will now and will always bow down and adore My Holy Eternal Merciful Father, Who is the Alpha and Omega, the Creator of all life, of all that is visible and invisible.

Anna Marie: Please speak my Holy Lord Jesus, for your sinful servant is now listening. (A private message was given.)

Jesus: Now I do have a public message for all my children.

Anna Marie: Yes Jesus.

Jesus: Please ask all Apostles to check their homes for the **satanic rosaries**. Ask them to search for the glow in the dark rosaries and throw them away into their trash containers. If they only knew how dangerous these cursed rosaries are, they would tear their homes apart to find them. So many of my children have been negligent in discerning what is evil. These satanic rosaries are killing my children, the most innocent of all, the little ones. Parents, how blind can you be to not realize the items you have in your homes are demonizing your children. **WAKE UP**, wake up and take charge of your homes while you still can. If there is no peace in your homes, it is because you have brought cursed and demonized items into your households: Video games, phone apps, board games, books, music, toys and so much more. Wake up and inventory the items in your homes that are possessed!

Jesus: This year for Christmas, I will return and come in each home to bless your bread and water on your Home Altar. I will not bless your molded bread, because evil resides there. You must start immediately to place your bread and water on your Home Altar to see if it molds. If it does, search your households for cursed items, get rid of them and again place a fresh piece of bread out. If it molds again, contact my servant Anna Marie, she will discern what is going on in your homes. Please do your best to find the items on your own. Seek me, Your Savior, ask me what is demonized in your homes. Ask me in prayer, ask me in Adoration. I will answer you and guide you.

Jesus: My children, I love you all. I know life is very difficult now, but it will get worse. Find more time in prayer and less time watching your televisions. I say this because a GREAT WAR is coming and if you are not prepared, then you may die. Please wake up, wake up from your slumber. Time is short and you must prepare for the GREAT FAMINE which will take place after the war. I call upon all parents to take control of your children and begin praying as a family. If you pray now, then when the GREAT TRIBULATIONS begin, you will be ready to endure the most difficult days ahead. Prepare your food storage and water storage now. Purchase your seeds necessary to grow your own gardens. Prepare to hunt for your food and pray my children.

Jesus: Now I will come to all households, blessing your families, blessing you. To strengthen you for the tribulations you will endure. I love you all. Your Savior Jesus Christ, Son of the Living God.

Anna Marie: Dear Jesus, may I ask please, are you coming on Christmas Day?

Jesus: Yes, for some it will be day, for others it will be night. Be in peace now. I love you little one.

Anna Marie: Yes Jesus, and all Apostles love you too. Dear Jesus, will Mother Dearest be with You? Is she coming too please?

Jesus: Yes, My Mother and the Holy Angels will be with Me. Now get your rest. I am blessing you now.

Anna Marie: Thank you Jesus. All Apostles love you Jesus.

Jesus: I love them too.

Anna Marie: Jesus, I trust in YOU!

End of Message

Please Note: If your bread molds before Christmas, Anna Marie asks that you first ask Jesus what items in your home are causing your bread to mold. If you do not receive an answer from Jesus, then you should go to Sacramental Confession first! **Confess your ANGER towards others and any occult practices** such as: Reading or watching witchcraft books or movies; fantasy children's movies from a major corporation that spreads magic; seeking information from Mediums or Fortune Tellers; Tarot Card readings; playing with a Ouija board; reading your Horoscope; playing with an Eight Ball; books or movies on Vampires; any viewing or reading of these items, or having them in your home are demonic. After throwing these items out and going to Sacramental Confession, confessing your involvement with each of these occult items, books or movies; you should be able to hear the Lord whispering in your ear what needs to be removed!

Anna Marie asks that you send an email to our Apostolate with the subject line reading: **Discernment** and you should send this email to: apostolate@greenscapular.org.

If you have not ordered your own "free" blessed Green Scapular Kit, containing 14 blessed Green Scapulars inside along with a brochure that explains how you can protect and bless your home, then do so immediately and do this before sending an email to Anna Marie. Anna Marie will pray over your email and ask Jesus what is it in your home that is causing your bread to mold.

For anyone who has already placed bread and water on their Home Altar and it did not mold, please do it again. This Christmas, you can give your adult children, friends and other family members, your previously blessed bread and water to them. Even if your family and friends are not certain what you are offering them, let them know to place it in their homes on their Home Altar or next to an image of Jesus or Mother Mary, but do not throw it away. This bread and water that Jesus has blessed will ensure that their food and water supplies will not dry up, Jesus will multiply food and water supplies when the great famine begins. For those who are wanting dehydrated food or water storage supplies, you can visit: www.beprepared.com or www.wisefoodstorage.com.
