Dear brothers and sisters,

I live in the east of the United States. Now, as in every fall, I can see wild geese migrating back from Canada to spend the winter in a more pleasant climate. Many people feel very touched when a flock of geese flies over their head, making their distinctive honking sounds and flying in their traditional “V” formation. Some time ago, two engineers wanted to find out why the geese were flying in that particular pattern. They discovered that each bird, when it flaps its wings, creates uplift for the bird that follows. Together, the engineers found, the whole flock gains about 70% greater flying distance than if they were traveling alone.

Doesn't prayer work the same way? United together and uplifted by the prayers of others,

we can make our journey through life much more easily than if we were traveling alone. The prayers of others lift us up; they help us keep heading toward God. They bring us comfort, help, strength and healing from our Lord and Savior.

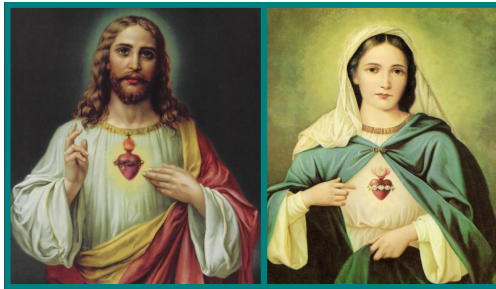

In fact, the Old Testament reminds us that when God saves us, He lifts us up as if on eagles wings! “You know how I brought you to Myself and carried you on eagle’s wings,” (Exodus 19:4) says the Lord to the people of Israel when He brings them out of slavery in

Egypt and sets them on their journey to the Promised Land.

All of us are on a journey out of slavery into the Promised Land. Sin wants to enslave us and keep us enslaved. Christ has freed us from that deadly grip of sin, and we are on our way to the kingdom of heaven, our Promised Land. Like the geese, we do not travel alone. God has given us companions, fellow believers, to journey with us. Geese flying in formation honk from behind to encourage those up front. Sometimes we need a little honking to keep us on track, too. And that’s a good thing! When a goose flies out of formation, it suddenly feels the drag and resistance of trying to go it alone. Together with others, we travel faster, easier and safer.

Let us keep flying in “V” formation, because “V” also stands for victory - Christ’s victory over sin and death. Your fellow traveler,

Fr. John +

Immaculate Heart of Mary,
 Pray for us, now and at the hour of our death. Amen.

Where Is The Deadliest Place In The World?

The answer, *in a mother’s womb*. After someone sent me a list of medications that use fetal baby tissue, organs or parts of an aborted baby, I realized many large pharmaceutical or major food brands are gladly using aborted fetal parts for sweetening their foods/drinks without telling the public.

A human embryonic kidney from a female baby fetus is called HEK 293. Who knows what other “code names” the major brands or pharmaceutical companies are using.

I was told once by an Apostle of the Green Scapular that when reading a label on

my coffee creamer, I need to look to see if the words “*other natural sweeteners*” is on the label. I have done just that.

I want no part of consuming any baby fetal tissue in any form, and absolutely will avoid any meds or foods/drinks with it.

Jesus Will Bless Our Bread And Water Christmas 2021

For over ten years, Jesus has been asking His Apostles to take a piece of bread and a bottle of water and place them on our Home Altar, so He can come and bless it on His holy Feast Day, like Christmas or Easter.

Jesus again stated He will come to our homes on Christmas 2021 and bless our bread and water. In order to prepare for Jesus to come to your home, please place your regular slice of bread in a zip lock bag, and you can place it in a second zip lock bag too. You can double bag your bread to ensure that you have a great seal on it. You should purchase a regular bottle of water from the store. Do not open the water bottle.

Place both items on your Home Altar and leave it there! Don't eat the bread or drink the water. You need to keep these two items on your Home Altar so that Jesus will come to your home

and bless them.

What happened in the Old Testament will happen in the New Testament. In the First Book of Kings 17:10-16, we know the prophet Elijah asked a widow to bring him a cup of water to drink and a little bread for him to eat. The widow only had a handful of flour and a little oil in a cruse to prepare for her son and self, then she thought they would both die from starvation.

Yet Father Elijah said, *"Fear not, but go and do as thou hast said: but first make for me of the same meal a little hearth cake, and bring it to me: and after make for thyself and thy son. For thus saith the Lord the God of Israel: The pot of meal shall not waste, nor the cruse of oil be diminished, until the day wherein the Lord will give rain upon the face of the earth."*

As our Lord had promised through His Prophet Elijah, you have been requested to place a slice of bread and

bottle of water aside and offer to our Lord in thanksgiving of His mercy for you/your family.

If your bread molds, throw it away! No one keeps molded bread and Jesus will not bless your bread if it is molding. This is why it is very important to place your bread and water on your Home Altar now. Then you can check on your bread to see if it molds over the next week or two. If it does mold, you have a problem! Either you have a demonic spirit living in your home or a ghost. Don't panic, ask Jesus what is cursed in your home so you can throw it away and set out another piece of bread. You can place a piece of bread on your kitchen counter to let it dry out then place in a bag and on Home Altar.

Ordering Dehydrated Food And Supplies

As our food supplies dry up in our food stores, you need to prepare for famine! Just like in the Old Testament in Second Kings 6:28, due to a great famine, a child was murdered and eaten. God forbid this can occur again, but it could. You can order dehydrated or freeze dried foods and supplies from various sources on a credit plan or

credit card. You should order a year supply of food to get a variety of nutritious foods. Visit: MyPatriotSupply.com/ SurvivalFrog.com/ ReadyHour.com/ BePrepared.com/ (known as Emergency Essentials)/ WiseFoodStorage.com/ Amazon.com. You can also dehydrate your own food, so do your research for a machine and get going quickly!

Graces Are Being Stored For Our Adult Children

I speak with many folks who are concerned over their adult children who have left the Church, left their faith and are living in great sin. It is sad and very painful for these parents who spent hard earned money to put them through a Catholic education and still, you can't even recognize who they have become and they can't stand you!

Do not give up on them, do not cry or be stressed about this issue anymore. If they want to say wicked things to you or say you are in a cult, ignore them because the devil has a

hold on them now, but during the Warning they will be set free. As long as you have written your son or daughter on a blessed Green Scapular and pray for him or her daily, Jesus Christ will save them.

Jesus loves you and will do everything possible to save your children. When you pray for them, you are storing up great graces for your adult children, even grandchildren. No prayer will go unanswered. The more you are praying for your children, even if they are not open to receive the healing graces they need to change their lives

and return to their Catholic upbringing now, the greater the spiritual conversion.

When Jesus is ready to pour His graces upon your children and then He takes the graces from the years of prayers you have been saying for your son or daughter to convert, you will witness great miracles. This is why we are waiting on the miraculous Warning, so our loved ones can be saved from damnation. So be patient, pray a lot and wait on our Divine Savior's miracles.

Brothers & Sisters of Charity of St. Vincent de Paul

Saint Louise de Marillac

Born near Meux, France, Louise lost her mother when she was a child, her beloved father when she was 15. She desired to be a nun but was discouraged by her confessor, and a marriage was arranged. One son was born. Louise found herself nursing her husband through a long illness that finally led to his death.

From an interior illumination she understood she was to undertake work under the guidance of another person she had not met, a holy priest, Monsieur Vincent, later known as Saint Vincent de Paul. His work needed many helpers, especially ones who were peasants, close to the poor and able to win their hearts. He also needed someone who could teach and organize

them. Over a long period of time, Vincent de Paul became more acquainted with Louise, he came to realize that she was the answer to his prayers.

She was intelligent, self-effacing, and had physical strength and endurance that belied her continuing feeble health. Her rented home in Paris became the training center for those accepted for the service of the sick and poor. Growth was rapid and soon there was a need for a so-called "Rule of Life," which

Louise herself, under the guidance of Vincent, drew up for the Daughters of Charity of St. Vincent de Paul. "Your convent," he said, "will be the house of the sick; your

cell, a hired room; your chapel, the parish church; your cloister, the streets of the city or the wards of the hospital." Their dress was to be that of the peasant women. Years later,

Vincent de Paul permitted four women to take annual vows of poverty, chastity and obedience. Many young women were illiterate. Louise was busy helping wherever needed despite her poor health. She traveled throughout France, establishing her community members in hospitals, orphanages and other institutions.

At her death on March 15, 1660, the congregation had more than 40 houses in France. Six months later Vincent de Paul followed her in death. Louise de Marillac was canonized in 1934 and declared patroness of social workers in 1960.

Ghost Healing

For over 20 years I have been helping Apostles rid their homes of demonic or possessed items. During the process of clearing demonic items (items that have been cursed so that when you buy it from the store, the demon is attached to it and comes home with you causing sickness, diseases or fighting in your family).

I have also run into ghosts during this clearing process. Ghosts were once living humans but they died and their spirit DID NOT or COULD NOT go into the Light of God for some reason unknown to us. In these cases, I knew I had to help Apostles remove these ghosts from their homes so knowing Jesus' mercy, I would say a

holy Rosary to help them go into the Light of God. Thus far, I have helped hundreds of ghosts leave earth by saying a Rosary and they went into the Light so they could meet Jesus.

If you suspect you have a ghost haunting your home, then here is a way you can discern:

1. Ghosts are usually "gray" in color, but I have seen black ghosts too.
2. Ghosts are shaped like human beings. Their bodies do not change shape.
3. Ghosts usually do not want to hurt anyone, though they can throw items, open drawers, etc. in your home.

4. Ghosts can talk with you, but you may not be able to hear them. You can use a tape recorder to record what they are saying. You can ask why they are there, what is their name.

5. If a ghost begins saying ugly or hateful things to you, immediately contact me at: apostolate@greenscapular.org and place in the subject line: ghosts

I have met some fairly vicious ghosts that did not want to leave the home they were haunting. Yet, through prayer and mercy from Jesus, they will go and your home will have peace. Don't contact a Medium!

God bless you, Anna Marie

Discerning Dreams — Pushed In or Pulled Out?

The title sounds funny, but you need to discern what you are enduring when you try to sleep at night. Witches or any occultist either pushes nightmares into your sleep or they are pulling information out of you from your life.

If you continuously have wicked dreams like something evil is chasing you, going to attack or kill you, then

witches are curing you as you are sleeping. They create a curse sending demonic spirits into your subconscious mind to torment you.

Another tool they use is to pull vital information from you, by creating a curse, sending demons into your subconscious mind to find out personal information about you or your family members.

Here is how you can protect yourself when going to bed, anoint your head with holy oil. To keep these demons out and block the curses from wicked witches, anoint your head with holy oil by making the Sign of the Cross with it. Pray, ask Jesus to block any demonic attacks while you sleep and are the most vulnerable. It helps and you may just have a better nights rest!!! I know because I do this nightly! — Anna Marie

Fellowship of the Unashamed

Dear Friends,

In Mark 8:38, Jesus says these words:

“For he that shall be ashamed of Me and of My words, in this adulterous and sinful generation, the Son of Man also will be ashamed of him, when he shall come in the glory of his Father with the holy angels.”

The author Patrick Madrid calls the Church “the Fellowship of the Unashamed”. He writes:

“I am part of the Fellowship of the Unashamed. The die has been cast. The decision has been made. I have stepped over the line. I won’t look back, let up, slow down, back away, or be still. My past is redeemed, my present makes sense, and my future is in God’s hands. I am finished and done with low living, sight walking, small planning, the bare minimum, smooth knees, colorless dreams, tamed visions, mundane talking, frivolous living, selfish giving, and dwarfed goals.

I no longer need preeminence, prosperity, position, promotions, applause, or popularity. I don’t have to be right, first, the best, recognized, praised, regarded, or rewarded. I now live by faith. I lean on Christ’s presence. I

love with patience, live by prayer, and labor with the power of God’s Grace.

My face is set. My gait is fast, my goal is heaven. My road is narrow, my way is rough, my companions are few, my Guide is reliable, and my mission is clear. I cannot be bought, compromised, detoured, lured away, turned back, deluded, or delayed. I will not flinch in the face of sacrifice, hesitate in the presence of adversity, negotiate at the table of the enemy, ponder at the pool of popularity, or meander in the maze of mediocrity.

I won’t give up, shut up, let up, or slow up until I have stayed up, stored up, prayed up, paid up, and spoken up for the cause of Christ.

I am a disciple of Jesus. I must go till He comes, give until I drop, speak out until all know, and work until He stops me. And when He returns for His own, He will have no difficulty recognizing me. My banner is clear: I am a part of the Fellowship of the Unashamed.”

How do we give testimony of our faith in our everyday life? Are we ready to answer uncomfortable questions that require a statement of faith? Are we willing to stand up for the Lord, when

He or His Word are under attack? My nation, the United States, is caught in a battle of ideas that are mutually exclusive. To give an example: Either marriage is a sacred bond between one man and one woman, or it is not. Both can’t be true.

Another example: Either the killing of unborn children is morally wrong, or it is not. The American people are badly divided over those issues. Thankfully, the Bible gives us very clear guidance on those and many other questions.

Over the past years, I have had the great privilege to pray in front of an abortion site in my hometown. Repeatedly, motorists who drove by showed us their favorite finger or shouted grotesque insults.

If the devil is so mad at us, we must be doing something right. In these end times, evil is all around us—but so is the light of Christ. We are Christ’s soldiers and prayer is our weapon. We are the Fellowship of the Unashamed.

May the Lord bless you and keep you!

— Fr. John

Discerning An Angelic Visit

What will you do when visited by an Angel who is there to give you instructions, how will you know if it is an Angel? My suggestion is to look down at his/her feet! If you want to be sure who you are speaking with

the Lord’s servant, then count how many toes he/she has because demons have hoofs (hooves). However, if it has his/her feet hidden, you need to order it to show its feet **in the Name of Jesus Christ**. Demons

must be obedient to the Name of Jesus Christ. So if you are visited by an Angel, make sure they have two feet and ten toes and listen to the instructions he/she will give you!

John Michael Talbot, An Anointed Catholic Musician

If you find your mind drifting while praying your Rosary or Chaplet, then consider praying while listening to John Michael Talbot (JMT) music. He is a Catholic master musician whom the Lord has anointed in various ways. I love listening

to JMT while praying my Rosary because I fall deeper in love with Jesus as I listen to his words of praise and glory to Jesus. You will be changed when you listen to JMT’s music I certainly have been.

His new book is called: “Exploring the

Gifts of the Spirit” (May 2020). Find peace in your life listening to JMT at:

The Scourging of Jesus

I have on many occasions reflected deeply on the holy Wounds of our Savior Jesus. I recite daily the Sorrowful Mysteries and try to steep my heart and mind into the grave torturous sufferings Jesus endured for me, for my wicked sins. I thank Jesus for dying on the Cross for my wretched sins constantly because I don't want to go to hell for my sins.

On many occasions while reciting the second Sorrowful Mystery, I contemplate what Jesus' scourged back must have looked like. Many times, I have asked Jesus to show me His holy back after He was scourged. I have asked Jesus to show me His back on and off for many years, but He has not shown me it.

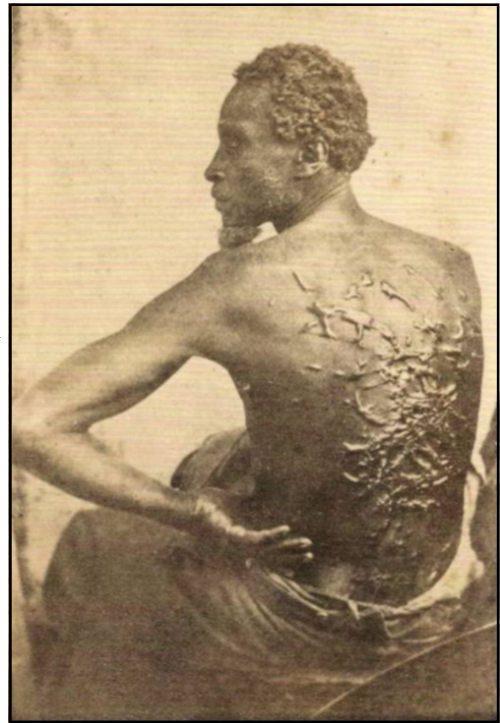

Recently, I asked Jesus once again to please show me how horrible His back looked after He was scourged. I again did not see His torn skin or His holy

blood dripping from His most holy back.

The next day, I received a letter from an organization that had a photos in the envelope. When I pulled out the photo on the right, Jesus let me know He was scourged when this African man was scourged. Jesus suffered every stripe, every whip, every slice of skin that this past African slave endured. This was Jesus!

All I could do was cry for this man, and cry for Jesus. Everything that was done to this precious man was done to Jesus. This man's pain was Jesus' pain. This man's suffering was Jesus' suffering.

I now keep this picture on my Home Altar, I will never forget the torture this man or Jesus endured. Forgive us Jesus! - AM

Listen To Your Terrified Children

I hear from many parents via emails stating their children or grandchildren are terrified to sleep in their beds or bedrooms. Some parents wonder if their children are imagining something bad is in their room, they watched something bad on TV that frightened them, or they overheard something from an adult that scared them.

I am begging all parents to listen to their young children because they are not lying! There is something going on in their bedrooms, or beds and you need to act swiftly to help protect them from wicked demons.

When a parent contacted me over her young daughter under 6 years old, who had told her something was touching her underneath her blanket; I found out that she had the Frozen bed sheet/blanket set from Disney. I told her mom to immediately throw out anything and everything Disney!

Disney is Masonic and if you look up Disney's first movie called, Fantasia, you will see Mickey Mouse wearing a witch costume, a magic wand in his hand and a tall black pointy hat like a witches hat. All Disney items are demonic!

Another parent shared that their child would not get out of his bed to go potty when he had to go. He was seven. He was getting sick and terrified nightly. The boy didn't want to go in his room. I helped this mom clear the boys room and while doing so, Jesus told me there was a CD in the boys closet that was evil and had to be removed. I had previously asked the mother to rid all Harry Potter and Disney movies, toys, CDs, etc.

In the closet, Jesus told me to look in the CD collection book. When the mom opened the CD book, she found another Harry Potter CD. She did throw it away and when I checked on this family a week later, the boy was living in peace.

I have found so many items in children's bedrooms. Hello Kitty, Pokemon, Ouija Boards, 8-Ball, Jenga blocks, Warcraft and other video games with "Craft" in its name, like "Minecraft". Many other computer games and toys. Here are other items that can carry demonic attachments: beds, dressers, mirrors, etc.

If your little one tells you there is something bad in his/her room **BELIEVE IT** and get to work finding out what it is. If unsure, you can place these items in a box in your garage but make sure you have a **blessed Crucifix** over your garage door so that the demonic spirits do not return into your home because they will!

If you still cannot find out what is terrifying your child(ren) at night, send me an email at: apostolate@greenscapular.org with the following subject heading: **terrified** I will see your heading and do my best to contact you quickly. You should include your phone number so that I can return your call. I will call with a blocked number and if you do not answer, I will call back in a little while. I only get on my computer once a week now, so be patient with my return email or phone call. God bless you.

Walk-In Ghosts

Although I have not mentioned this topic before, today I am. I have prayed with many people over the years, normally conducting an Inner Healing several times a week.

On several occasions, through the grace of Jesus Christ, I have discovered that some people have been infiltrated by what I call, "Walk-In Ghosts". All victims of Walk-Ins, have one particular fact in common, they died at some point and were revived.

Most of these victims died as children from complications at child birth. You should always anoint your baby

neonatal before birth with holy oil.

The victim of the Walk-In does not know they have been victimized. How could they, they have lived with this Walk-In his/her entire life. The mother doesn't know that his/her child has a Walk-In she thinks the baby behaves a certain way due to genetics or character traits.

I continue to work on healing issues and the removal of Walk-Ins with victims. This is not an issue the Church will accept without 100% proof, but the victims I meet just need help and want someone to care. Jesus wants His children healed!

There are examples that have puzzled doctors. When someone dies and is an organ donor, the recipient of that organ has changed his eating preferences or personal living preferences similar to the organ donor. Science cannot explain it, but it is possible that the organ donor becomes a Walk-In to the recipient.

I will continue to work with those who believe they have a Walk-In as long as the Lord wills me to do so. If you believe you have a Walk-In, please contact me via email and in the subject line type: Walk-In. Send your email to me at: apostolate@greenscapular.org.
—Anna Marie

Beware of Occult Games

When I do an Inner Healing with folks, Jesus usually lets me know quickly if he or she was involved in the occult in their past. Jesus needs to do this to help me clean their souls out from this evil so that he/she can be healed.

One thing I have learned from experience is this, anyone who was in the same room where a Ouija Board was played with has been demonized! Even if you never touched the Ouija Board or the black thing used to place your fingers on, if you were in the room you have been demonized.

You can get rid of this demonic spirit by going to Sacramental Confession. Just remember before going to Confession, you need to repent to Jesus for breaking His Father's First Commandment, ***"Thou shalt not have strange gods before Me"*** (Exodus 20:3). And, ***"Thou shalt not adore them, nor serve them: I am the Lord thy God, mighty, jealous, visiting the iniquity of the fathers upon the children, unto the third and fourth generation of them that hate Me"*** (Exodus 20:5).

When you ask the devil for answers to

your questions, just know the devil will expect payment back from you. The devil's payment is to demonize you to make sure you go to hell.

Touching the Ouija Board, not touching it. Asking questions of the Ouija Board, not asking questions makes no difference to the devil. You broke the Lord's First Commandment and the Lord has permitted you to be demonized. Your hope is to repent, pray and seek the Lord's mercy and forgiveness. Once the Ouija Board demon has been delivered from you in the Confessional, you'll know it! -Anna Marie

Anointing Your Neonatal Baby

I have spoken about anointing my friends grandbaby while in her daughter's womb. The Lord spoke to me some years ago about my friends daughter who was pregnant and something was wrong with the baby. We were having lunch and the Lord spoke to me asking that I wanted to anoint her daughter's baby still in the womb. My friend told me her daughter would never believe that some-

thing was wrong with the baby and that she would not ask her daughter if I could anoint the baby. A week or so passed and my friend called me asking me to come over and anoint her daughter's baby because the doctor told the daughter something was wrong with the baby.

I agreed and the date was set. I came over and brought my anointing oil and my friends daughter lifted her shirt so

I could make the Sign of the Cross on her tummy. When I did, the spirit of the baby came half way out of her mother's womb and she smiled at me in a glowing radiant white light from the grace of being anointed.

I ask all parents to not wait on the baby's Baptism but to anoint their own babies in the womb just as soon as they find out they are pregnant! -Anna Marie

The Rapture, Will It Happen?

Many years ago I listened to a very pious Prophet of God, Carol Ameche who was from Scottsdale, Arizona. She has passed since, God rest her beautiful soul, but she discussed the Rapture to those in attendance where she was speaking.

She indicated that Jesus had told her there would be a Rapture, but not exactly like the Christians believe it will happen. She said that during the Rapture, many people would be removed from the earth, but not all of those taken would be going into Heaven. Many would be taken into hell. What a frightful thing to happen.

If this is true, then let us all prepare to be taken during the Rapture. We can and should remain in the State of Grace by making a Plenary Indulgence.

A Plenary Indulgence is the removal of all Temporal Punishments caused by your sins, your already confessed sins. Temporal Punishment is the debt you owe for each sin you committed in your life, and went to Sacramental Confession and confessed.

Sin has two effects on our souls, the actual sin we committed and the debt that is assigned to that sin. That is the why people go to Purgatory, they con-

fessed their sins, but forgot to cleanse the Temporal Punishment from their sins. I don't mess with Temporal Punishments because every time I go to Confession, I make sure I obtain a Plenary Indulgence to remove it.

You should do your best to obtain as many Plenary Indulgences too. You can offer it for yourself or the Holy Souls in Purgatory to get them out.

The great hope is that if there is a Rapture, you will be taken up without a temporary stop in Purgatory. Praise Jesus! God bless and protect you!

—Love, Anna Marie

Saving Souls Is Your Mission As An Apostle

I have received emails from folks who want to become an Apostle of the Green Scapular. They ask, "What do I need to do to become an Apostle?" I let them know all they need do is write their own name on a blessed Green Scapular and recite the Eternal Consecration Prayer in the Brochure that comes with their 14 blessed Green Scapulars.

There is more you should do and I pray you are doing. Please write everyone you know and love on a blessed Green Scapular too. Save as many souls as you can by doing this, consecrating your loved ones or friends to Jesus through Mother Mary's Immaculate Heart. Every year on the Feast Day of St. Vincent de Paul, Septem-

ber 27th, Mother Mary goes into Purgatory and takes every person who died that had his or her name written on a blessed Green Scapular.

You should write your Priest's name on a blessed Green Scapular, your Deacon, the Church staff and Catholic teachers. Write the names of your local, state and federal government representatives on one too. Let Jesus and Mother Mary deal with the sinful nature of the person you write on a blessed Green Scapular.

I remember once when I was talking to the Lord about a particular Catholic man that I knew was addicted to pornography and I said to Jesus, "this man is a disgusting

pig." Jesus instantly corrected me saying: **"You do not understand my mercy?"**

I knew I had placed this man's name on a blessed Green Scapular so it was a real shock when Jesus corrected me. Jesus was right, I do not know or understand His mercy for sinners. So now I do my best not to judge or condemn others too.

In St. James 5:19-20, it states: **"My brethren, if any of you err from the truth, and one convert him: He must know that he who causeth a sinner to be converted from the error of his way, shall save his soul from death and shall cover a multitude of sins."**

Praise Jesus, we can be saved by writing names on green scapulars. —Anna Marie

Surrender Your Will To Jesus As Soon As You Wake Up

I have noticed an amazing miracle in my life, surrendering my life to Jesus Christ every morning after waking up.

The miracle is realized after my morning prayers. I just ask Jesus what I need to do next, and instantly I am shown a vision on what to do next or I am told with infused knowledge. It is just like having a secretary keeping track of my schedule and telling me

what needs to be done next.

After I surrender my will to Jesus in the morning, I then surrender my pain and sufferings to Mother Mary so she can save souls from hell or deliver souls from Purgatory. This pain or suffering could be a disappointment, a pain in my body, or I worried about someone I know who is in need of prayer.

Trust Jesus and live in His "will" daily. Remember the Our Father prayer: **"Thy will be done on earth as it is in Heaven"**. Live in the Lord's holy will and be filled with His glorious joy daily. You may need to give Jesus a chance to speak to you, your heart so be patient with Jesus and yourself.

Modern Day Cannibalism

It is a sad and horrible thing to imagine that we can consider ourselves as modern day cannibals, but it is true. The use of aborted baby organs, skin tissue, or anything else used in making food or drink products is now deeply integrated in our society.

When I see the latest “beauty aging cure” lotions or serums, I cringe at knowing it is because aborted babies were used to make those products.

Major food brands use aborted baby parts and I don’t have a clear understanding what companies are doing this and the FDA is not listing what these aborted fetal parts are named, nor who is using them.

In order to combat the devil and these diabolical corporations from contaminating my body, which is the Temple of the Holy Spirit, **“But if any man violate the temple of God, him shall God destroy. For the temple of God is holy, which you are.”** (1. Corinthians 3:2) I confess my possible cannibalism in Sacramental Confession. Jesus knows I would never ingest any form of aborted babies, neither would you. God have mercy on us all.

Forgive All Those Cursing You

I have had to learn the hard way because of my sinful pride, that I must forgive every person cursing me. It doesn’t matter if they are cursing me via Witchcraft, Voodoo, Santeria, etc., I know I must forgive them.

It’s not easy to forgive people who are calling on demons to kill you, or are conjuring demons to attack you while you sleep. Yet these evil, wicked people are doing just that and we must forgive them.

I came up with a strategy to take care of these wicked people who want to harm me, I write his/her name on a blessed Green Scapular and let Jesus take care of them. It does not matter if I know his/her name, I just write down “person cursing my shoulder”.

Recently, when I was waking up for the day, I felt pain on my shoulder. I turned my face towards my shoulder and I saw a huge demon.

I instantly began praying the St. Michael the Archangel prayer and got that wicked demon off me. Praise Jesus for St. Michael the Archangel. Next, I grabbed my blessed Green Scapular next to my bed and wrote down, “person cursing my shoulder”.

Since I was able to surrender the wicked witch to Jesus, I have not seen or felt another demons causing me pain on my shoulder! Thank you sweet Jesus! We don’t need to get mad or angry, we just need to do what Jesus would do, surrender that person to the Lord and pray for him or her.

When I feel sharp Voodoo needles piercing my skin, I don’t get angry and I don’t hesitate to grab a blessed Green Scapular and write his or her name by writing on it. I will write, “Voodoo Witch cursing my left arm”, or “Voodoo Witch cursing my big toe.”

I know the wicked witch feels something because the torture instantly stops and I don’t experience the pains anymore. Know this, in order for that witch not to be sent to hell when he or she dies, the Lord will need to humble him or her. That means whatever sufferings Jesus must give them so that they repent for their sinful life, they will receive. Thank you Jesus for saving the witches from hell. What a Merciful Savior we have! -Anna Marie
